

I . V . POUCH

PATTERN LAYOUT:

1. Enlarge Pattern by inserting 9" length as shown.
2. Cut 1 lining and 1 outside piece (pastels only, please)
3. With right sides together, stitch, using 1/4" seams. Leave side opening where indicated on pattern
4. Turn and Press.
5. Sew velcro where indicated (Note: INSIDE on flap, and OUTSIDE on envelope) Hint to sew HOOKED side of Velcro. Lay a piece of wax or tissue paper over hooks and they will not catch your thread when you sew..)
6. Fold Bottom edge up to fold line indicated at base of flap. Pin to hold in place.
7. Stitch side edges at 1/8" if you can. If not, then 1/4" is fine, too. By topstitching the edge, the turning opening will automatically be sewn shut
8. DONE! Let's do some more!!

TWO YARDS of 45" Material
 (One outside fabric
 & One lining)
 will yield 18 IV Envelopes!
